NOTICE OF APPLICATION FOR A WASTE DISPOSAL LICENCE

Public Health Act 1990

Public Health (Licensing of Waste Disposal) Regulations 1990

Collection and Disposal of Waste Regulations 2000

1. Applicant

Full Name and Address of Applicant .....
(i.e. the person in whose name the licence will be issued)

.....

Telephone No ..... Email.....

If the applicant is a company, please complete the next box.
If not, please go to section 2.

Company Title	Registration No.	
Registered Office		
Directors Status of company (plc/Ltd/trading name/partnership/other)		
Company Secretary		
Contact (name)	Telephone:	Fax:

2. Location

Address of site intended for waste disposal/treatment/ storage

National Grid reference for the site entrance

If the site has more than one, please give the reference of the main entrance.

3. Name and Address of the landowner(s)	

4. Will the applicant operate the site? **Yes** **No**

5. If No, please give details of operator

6. Type of Site

Nature of the proposed facility?
Please tick box(es) that apply

Civic Amenity Site		Incinerator	
Transfer Station		Treatment Plant (including biological or physio/chemical	
Recycling Facility		Storage Facility	

Other - please specify in box below

7. Proposed Activities

Activity	**Please tick the appropriate box(es)**	
Treatment	a. For recycling	
	b. For any other purpose	
Storage	a. For recycling	
	b. For any other purpose	
Disposal		
Other - (please specify)		

8. Waste types and quantities

8.1 Enter in the table below, the types and maximum quantities of waste it is intended to receive at the facility (expressed in tonnes)

EWC Code	Description including physical description e.g. solid, sludge	Landfill waste classification i.e. Hazardous, non-hazardous, stabilised hazardous waste

8.2 The quantitiy of waste that is deposited in the licensed facility in any year shall not exceed the limits in the table below.

Annual Waste Input Limits		
Category	Limit Tonnes/Year	Comments
Hazardous waste		
Stable, non-reactive hazardous waste		
Non Hazardous Waste (biodegradable)		
Non Hazardous Waste (non biodegradable)		
Inert Waste		
Total		

NOTES:

See Technical Guidance WM3: Waste Classification – Guidance on the classification and assessment of waste:

https://www.gov.uk/government/publications/waste-classification-technical-guidance

9. Hazardous Waste (including Asbestos)

Will any waste accepted at the site be likely to contain hazardous substances?

Yes **No**

If yes, please detail in operational arrangements in working plan.

10. Site Capacity

For landfill sites, please state the calculated void space in cubic metres based on survey information and the maximum amount of waste expected to be deposited per year. For civic amenity sites, transfer stations, incinerators, treatment plant or storage facilities, please state the waste storage capacity on site and the annual design throughput of the site.

Landfill	Void capacity in cu metres
	Maximum amount of waste in tonnes/year
Civic amenity (*) Transfer Station Incinerator Treatment Plant Storage Facility Other	Storage capacity in cu metres
	Design throughput in tonnes/year

* delete where appropriate

11. Proposed duration of the licence being sought	
12. Proposed start date	
13. Proposed final use of the site and likely commencement date for such use	

14. Please estimate the numbers of vehicles which will deliver waste to the site in any 24 hours:

Maximum No. [ ] Typical No. [ ]

15. Operating Hours

Please state the proposed hours of operation of the site

	From	**To**
Monday to Friday		
Saturday		
Sunday		
Public Holidays		

If the operating hours permitted by any planning permission are different to those shown above, please detail:

16. Details of Planning Permissions

A new waste disposal or treatment site needs a valid planning approval from the Planning and Building Control Directorate of the Department of Infrastructure. A Waste Disposal Licence cannot be granted until the site has an appropriate planning approval.

Please provide details of planning permissions:-

a) Date, reference number, brief description of previous permission on the site.

b) Date, reference number, brief description of the permission relevant to the intended waste disposal use.

17. Documents

Please enclose a copy of the following:-

a) Planning Approval
b) A map showing the location of the site to a scale not less than 1:25,000 is required
c) A plan showing the site layout to a scale not less than 1:1250 (preferably 1:500) is required
d) A Working Plan
e) Site Investigation Report

Signature of Applicant/Agent……..

` Date…….

Please forward completed application forms to the Department of Environment, Food and Agriculture, Environmental Protection Unit, Thie Slieau Whallian, Foxdale Road, St. John's, IM4 3AS. If you require any further advice on completion of the application, please contact the Environmental Protection Unit via environmentalprotection@gov.im or 01624 685535.
