Declaration of Exemption to Register for Supply under the Video Recordings Act 1995

I declare that the business mentioned below does not at present supply age-classified videos (that is those videos with a 12, 15 or 18 classification) and does not intend to do so in the future. It is therefore exempt from registration under the Video Recordings Act 1995 and its associated regulations.

I also declare that if this situation changes the business mentioned below will apply to the Office of Fair Trading for registration to supply age-classified videos as required by the Isle of Man Video Recordings Act 1995 and will do so prior to supplying age-classified videos.
