Social Security

Claim For Adoption Allowance

Adoption Allowance is payable to persons who are on leave from their employer either following the adoption of a child or young person under the age of 18 or before the child or young person is placed with them.

Adoption Allowance (ADA) is payable for a maximum period of 39 weeks and at one of two rates - a Standard Rate ADA or a Variable Rate ADA.

To get ADA you must

- Be on leave from your employer either following the adoption, or shortly before the child or young person is placed with you
- Have stopped work of any kind
- Have worked for the same employer as an employed earner in at least 26 of the 66 weeks immediately before
 the week in which you are notified that you have been matched with a child or young person for adoption; and
- Have had average weekly earnings of at least £30 for any 13 weeks of the 66 week period referred to above

The rate of ADA payable is the lower of:

- 90% of your average weekly earnings in the 13 week period selected; and
- the standard rate of ADA (see leaflet BP196 for rates).

To claim ADA you must be ordinarily resident in the Isle of Man when you make your claim. You must not be entitled to Statutory Adoption Pay or Statutory Paternity Pay in respect of the same adoption in the United Kingdom.

To make your claim for ADA fill in this form in ink. Use CAPITAL LETTERS where you can. If you cannot fill in the form yourself, you can ask someone else to fill it in for you. If you need any help ask at your local Social Security office or telephone the General Benefits Section on 685106.

When complete, take or send this form together with any documents we have asked for to the General Benefits Section, Social Security Division, Markwell House, Market Street, Douglas, IM1 2RZ. Or you can take it to the Department's district office in Ramsey. You cannot claim more than 14 weeks before the week of adoption. Claim as soon as you can after then, even if you are still working.

Part ^L

What benefit is it?

About payment of your ADA

Adoption Allowance is normally paid directly into your bank account.

(a) Payment direct into an account

Your benefit will be paid into your account every 2 weeks. It will be paid into the account on the last bank working day in each 2 week period.

Finding out how much is paid into the account

You can check your benefit payments on your account statements. Your statement will show Pension/Ben next to the payments that are from us. If you think the payment is wrong, get in touch with us.

If not enough money is paid into the account

If we do not pay enough money into the account, we will make another payment or add the money we owe you onto your next payment.

If too much money is paid into the account

If too much money is paid into the account because of the way the credit transfer system works, we have the right to recover any money that you are not entitled to. For example, you may give us information which means that you are entitled to less money but we may not be able to change the amount already sent out.

(b) About the account you want to use

Please note that we can only pay benefit into one bank account, if you are already receiving a benefit by credit transfer we will have to use the same account for both benefits.
