Our Vision

To be the Safest Small Island Community

Prevention

We will work with our partners to reduce risk to life, property and the environment from fire and other emergencies, protecting the most vulnerable through targeted risk reduction interventions.

Protection

We will protect people from harm by providing advice, guidance and when necessary enforcement to keep the public and our firefighters safe.

Preparedness

We will provide our firefighters with the training, information, procedures and equipment to ensure they can safely and effectively resolve all emergency incidents.

Response

We will maintain an excellent emergency response to meet risk across the island's community with safety and effectiveness at its core.

People

We will engage, empower, support and develop our workforce to deliver the best possible services to our communities.
