

Social Security Funeral Payment

FP2

Part 1

About you

If you are claiming a Funeral Payment, please complete Part 1 of this form as well as the FP1 claim form. Please ask the Funeral Director to complete Part 2 and send it back to you with a copy of the funeral account. Once complete take or send this form to a Social Security office.

This is not the funeral director's account. It only gives information about expenses that you may be able to get help with.

You will need to send us the Death Certificate and any benefit cheques which relate to the deceased so that we can process your claim. If you cannot send us everything at once, do not worry, we will ask you to provide the other document(s) later.
