

Recreational Craft Statement of Location

Following the Brexit transition period on 31st December 2020, the tax status of pleasure craft will change. Please refer to the information via this link - <https://www.rya.org.uk/knowledge-advice/current-affairs/Pages/brexit-what-happens-next.aspx>

This document is intended to provide evidence of location in respect of the vessel referred to below. The location stated provides that the vessel was berthed at the location above at the point in time stated above and does not impact or affect registration or other particulars of the vessel. The Department of Infrastructure and the Isle of Man Government shall not be liable for any loss or damage, claims or other liabilities arising as a result of or incidental to reliance upon the information and particulars provided in this form.

I confirm that the vessel described below was berthed in

--

Harbour/Marina at 2300hrs UTC on 31st December 2020.
