International Qualified teacher Status Programme Application Focus Questions

Please consider how each of the statements relates to your experience and understanding and write a short response to each section. The boxes will expand as required but 200 words might be considered a reasonable guide for each focus.

Outline why you feel that you are suited to teach secondary age students and what will you bring to the classroom.
Outline your motivation for applying for this iQTS training programme delivered on Island.
Outline which skills or attributes you believe are important to support young people becoming effective and reflective learners.
Outline why you think you are suited to complete the academic elements of the programme.
