2018 Isle of Man Ferry Services Survey Tabular Results

This report contains the aggregate unweighted results of the Isle of Man Sea Services Survey, conducted in October 2018. Total response to the survey was 4,962, including 100 respondents who took in the survey in their capacity as business owners.

Section One contains the responses of the Passenger survey. Section Two contains the responses of the Business survey, with tables either aggregated by all businesses, or demarcated as Freight/ Shipping or Tourist businesses as applicable.

This survey was conducted on behalf of the Department of Infrastructure of the Isle of Man Government.

The results of the survey are being used to help formulate the new Sea Services Agreement between the Department of Infrastructure and the Isle of Man Steam Packet Company Limited.
