- (b) for forensic examination or for investigation in connection with an offence,

it shall not be retained longer than is necessary to establish that fact and to obtain the photograph or copy.

(4) Subject to subsection (8), if a request for permission to be granted access to anything which —

- (a) has been removed, and
- (b) is retained for the purpose of investigating an offence,

is made to the Assessor by a person who had custody or control of the thing immediately before it was so removed, or by someone acting on behalf of any such person, the Assessor shall allow the person who made the request access to it under the supervision of the Assessor.

(5) Subject to subsection (8), if a request for a photograph or copy of any such thing is made to the Assessor by a person who had custody or control of the thing immediately before it was so removed, or by someone acting on behalf of any such person, the Assessor shall —
