Select List for Forestry Harvesting Services

The Isle of Man Government invites expressions of interest from suitably competent and experienced contractors who would like to be included on a select list for Forestry Harvesting Services for the Department of the Environment, Food and Agriculture.

The contractor will be required to fell and remove to roadside a proportion of the annual thinning and felling yield of the commercial woodlands within Department's plantations.

In order to participate in this competitive exercise, your organisation must be registered on the Isle of Man Government's Procurement Portal. If you have not previously registered, please visit <https://in-tendhost.co.uk/iomg/aspx/Home> and select 'Register' from the menu on the right side of the Home Page.

Once you have registered your organisation you should select this tender from the list of 'Current Tenders' and 'View Details' then click 'Express Interest' at the bottom of the page. Once you have clicked on 'Express an Interest' a 'Form of Acknowledgement' tab will appear. This tab will provide a copy of the 'Appeals Procedure' to be downloaded. In order to progress to the next stage of the process you will need to 'Opt-In' and complete the 'Form of Acknowledgment' questionnaire and click 'Submit Return' before the Expression of Interest deadline as detailed below.

Should you have any difficulty in using the website or registering your interest in this way, please e-mail procurement@gov.im

Expressions of interest must be submitted through the above Portal by **noon 18th January 2024**.
