### Notes:

- Users of this orienteering map, course and permanent control markers within Archallagan Plantation do so entirely at their own risk.
- They accept that Orienteering is an adventurous activity and that it may involve travelling over uneven surfaces. Suitable footwear and clothing should be worn. All reasonable care must be taken when using various areas of the Plantation.
- Archallagan Plantation is a working environment where forestry operations take place. Please beware of vehicles on forestry roads and machinery involved in tree felling activities.
- Please respect other users of the Plantation - walkers, horse riders, cyclists, etc.
- Public access to the Plantation may be restricted due to forestry work or sporting events, etc. Any groups planning to use the Plantation need to contact D.E.F.A (Tel: 801263) for details.
- Please pay attention to public notices and follow all safety signage.
- Different permanent Orienteering courses, maps, description sheets and answers can be found at [www.gov.im/orienteering](http://www.gov.im/orienteering)
- Be advised that not all paths and features are marked on this map due to the changing nature of the Plantation.
