It is intended as a general guide only and must be read in conjunction with the relevant legislation. It should not be relied upon and should not be used as a substitute for legal advice. The full statutory requirements are set out in Part V of the Companies Act 1931.

This practice note does **NOT** address any other duties or obligations of a company, its directors or a liquidator when liquidation is being contemplated or is in effect. Advice should be sought from a competent person if you are unsure what legal requirements and obligations are imposed on you in whichever capacity you are acting.

It is important that any liquidation document be filed as soon as possible. The Companies Registry carry out certain duties based upon the documents filed in its possession and may take action to

strike a company off the register for failure to file its annual return if documents indicating that it has gone into liquidation have not been filed.

1. **Members Voluntary Liquidation**

- 1.1 A Declaration of Solvency (Form 39B) must be made by the directors of the company, or if there are more than two directors, a majority of the directors, and filed at the Companies Registry before the winding up begins.
- 1.2 **The Declaration must be made and filed before notices are sent out for the meeting at which it is intended to pass a resolution to wind up the company but also not more than six weeks before the passing of that resolution. The declaration is invalid if it does not comply with both of these conditions and if this happens the liquidation will be treated as a creditors winding up.**
- 1.3 The company must pass a resolution for voluntary winding up. An original or a copy of that resolution signed, or certified a true copy by either the chairman of the meeting or an officer of the company must be filed at the Companies Registry. As with all special or extraordinary resolutions, there is a filing period of one month after its passing. Failure to submit the resolution within that period will result in late filing fees being levied.
- 1.4 The liquidator is required to give notice of his appointment (Form 39C) to the Companies Registry within twenty-one days. Failure to submit the notice within that period will result in late filing fees being levied.

2. **Creditors Voluntary Liquidation**

- 2.1 The company must pass a resolution for voluntary winding up. An original or a copy of that resolution signed, or certified a true copy by either the chairman of the meeting or an officer of the company must be filed at the Companies Registry. As with all resolutions, there is a filing period of one month after its passing. Failure to submit the resolution within that period will result in late filing fees being levied.
- 2.2 The liquidator is required to give notice of his appointment (Form 39D) to the Companies Registry within twenty-one days. Failure to submit the notice within that period will result in late filing fees being levied.

3. **Compulsory Liquidation**

- 3.1 When the Court appoints a liquidator provisionally, a provisional liquidator or a liquidator, a certified copy of the relevant Order must be filed with the Companies Registry.
- 3.2 Where a person other than the Official Receiver is appointed as **Liquidator**, notice of his appointment (Form 39) must be given to the Companies Registry. There is no prescribed filing period for this form, but the liquidator cannot act until he has notified Companies Registry of his appointment.

4. **Filing of Liquidator's Accounts**

- 4.1 If the company is in liquidation for more than twelve months, the liquidator must complete and file an affidavit and statement of account (Forms 93 and 92) for that period. If more than one liquidator has been appointed, then one of the liquidators must complete the affidavit form and have the account marked by the person taking the oath as an exhibit.

- 4.2 Forms 93 and 92 are required thereafter for each complete six-month period following the first twelve months of the liquidation.
- 4.3 Forms 93 and 92 are NOT required to be filed when either (a) the liquidation is completed within twelve months or (b) the final winding up meeting is held less than six months after the last complete period.

5. Dissolution

- 5.1 When a voluntary liquidation has been completed, and the final winding-up meeting has been held, the liquidator must complete a return of that meeting and attach to it a copy of the liquidator's accounts approved at that meeting. If it is a members' voluntary liquidation, the return is made on Form 15A. If it is a creditors' voluntary liquidation, the return is made on Form 15B. Again, if there are two or more liquidators, each must sign the return.
- 5.2 **The filing period for Form 15A or 15B is SEVEN DAYS after the date of the final meeting. Failure to submit the return within that period will result in late filing fees being levied.**
- 5.3 The company is not formally dissolved until three months after the registration of the Form 15A or 15B. The Companies Registry does not automatically give notice to anyone of the fact of dissolution. However, we will confirm the date of dissolution by letter if requested.
- 5.4 If the company is in compulsory liquidation, it is necessary to obtain a Court Order to release the liquidator and have the company formally dissolved. A copy of this Court Order must be filed as soon as possible after it is made so that the public record can be updated.
- 5.5 If it is found necessary to re-appoint the liquidator after the company has been dissolved, an application for the company to be restored must be made to Court within **TWO YEARS** after the dissolution date. A copy of such an Order must be filed within seven days of its making.
- 5.6 **NOTE - The administrative procedure for restoration under Section 273B of the Companies Act 1931 does NOT apply to a company in liquidation unless it has been struck off the register under section 273. This happens when the Department believes that the liquidator is not acting or that the liquidation has been completed and the proper returns have not been made.**
