INCORPORATED CELL COMPANIES ACT 2006

APPLICATION FOR THE CONTINUATION OF AN OVERSEAS CELL (IC) UNDER THE COMPANIES ACTS 1931 - 2004

Pursuant to Part 1 of the
Incorporated Cells Regulations 2011

Company Name:	

1. I/We, the under mentioned applicant, hereby apply for the above company, incorporated in ……………………………., to be continued in the Isle of Man under the provisions of the above Regulations.

2. The company is to become an IC of ……………………………………………………….. (name of incorporated cell company (ICC).

3. The following documents are attached as part of this application:
   (a) a Memorandum of Continuance containing the particulars required by the Department of Economic Development;
   (b) proof to the satisfaction of the Department that the overseas cell has obtained all necessary authorisations required under the laws of the country or territory in which it was of its incorporation to enable it to make this application;
   (c) financial statements of the overseas cell prepared for a period ending within 12 months of the date of the application and audited to the satisfaction of the Department;
   (d) details of all charges created by the overseas cell to which Section 79 of the Companies Act 1931 would apply, together with the written consent of such chargeholders to the application;
   (e) the written consent to the making of the application of the overseas ICC and the company referred to in Para. 2. above;
   (f) a certificate signed by an advocate in terms of Para 1. (4)(g) of the above Regulations; and
   (g) a copy of a notice published not more than 3 months prior to this application in two newspapers published and circulating in the Isle of Man and one newspaper circulating throughout the country or territory in which the overseas cell is incorporated.

For Official Use only:
