APPLICATION FOR A BRITISH PASSPORT

Please complete the application form in capital letters & black ball point pen.

Your application may be delayed if you do not enclose the necessary documents or fee, do not complete all of the sections as indicated or if you send photographs that do not meet our requirements.

Use this form only if you were born or are currently resident in the Isle of Man and wish to apply for or renew a British Passport. **Two recent photographs must accompany each application.** Please read the notes and follow the instructions, failure to do so may result in a delay in processing your application. Please post or take your application to the Passport Service. Please see our website at www.gov.im/passports for estimated production times.

Please note the Passport Service in the Isle of Man issues passports for British Citizens and British Subjects who have the right of abode in the United Kingdom. Acceptance of a passport application at this office does not necessarily confirm that the applicant is a British Citizen. Establishing citizenship claims can be a complex and lengthy process.

If you are also a citizen of another country you may lose that nationality if you acquire a British passport. Please check with the authorities of the other country before making an application.

Information contained in this form and on the passport record to which this application form relates may be passed to other Government organisations and law enforcement agencies for the purpose of checking your application and in the subsequent use of any passport issued as a result of this application. **It is recommended that you do not book any travel until you have a valid passport.**
