**Extract of Proceedings from the meeting of the
Health and Care Transformation Board on
Wednesday 15 July 2020**

Decisions made by the Transformation Board

Approach to National Health and Social Care Bill

The Board agreed to recommend the second option for progression of the National Health and Care Bill and for it to be introduced to the House of Keys in November 2021.

Position of Primary Care on 1 April 2021

The Board agreed that responsibility for the delivery of Primary Care services should transfer with all other services to Manx Care from 1 April 2021.

Workforce Diagnostic and Next Steps

The Board acknowledged the outcome of the Workforce and Culture audit and agreed for the Project Lead to continue to facilitate immediate actions with the DHSC and, with support from the Transformation Programme, build an implementation plan.
