**Extract of Proceedings from the meeting of the
Health and Care Transformation Board on
Monday 20 July 2020**

Part I

Decisions made by the Transformation Board

Future Funding Strategy

The Board agreed to recommend to the Political Board that the eight year outline efficiency target profile would be the appropriate option for Manx Care/DHSC going forward, subject to regular review.

Part II

Matters noted by the Political Board

Future Funding Strategy

The Board noted the estimated remaining funding gap after efficiencies and the possible options (or combinations of options) for closing that gap.
