

InterpretersLive!

Brand new innovation

The Deaf Community can download the brand new InterpretersLive! app available on Apple Store and Google Play.

When you have downloaded the InterpretersLive! app, if you do not already have StarLeaf installed, you will be asked to download this too.

Powered by

-  Instantly connect to organisations on our InterpretersLive! Directory for free
-  Access your personal Minute Tracker portal
-  Instantly call a BSL video interpreter and attend pre-booked meetings
-  Find out more about Access To Work
-  Contact the team to request any of our services available 24/7/365
