

## Customs and Excise RSS Feed Guide

To subscribe to an RSS Feed and receive updates that go directly to your emails, you can achieve this using the following options.

### Option 1 - Sign up to an RSS feed reader

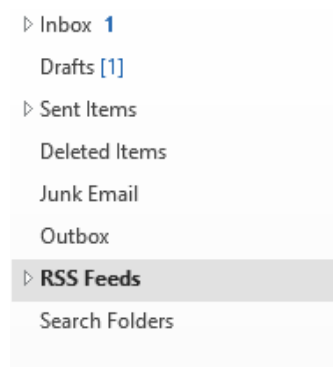

Use your favourite search engine to look for RSS Feed reader, these are usually applications that you can download or sign up to online.

You can then copy and paste our RSS Feed URL <https://www.gov.im/categories/tax-vat-and-your-money/customs-and-excise/news/RssCategorisedNews> into your reader and subscribe to receive updates by email.

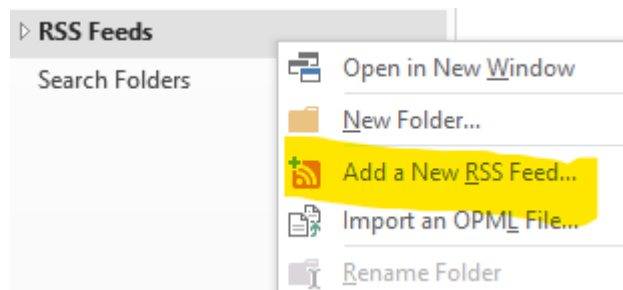

### Option 2 - Microsoft Outlook RSS Feeds

If you have a recent version of Microsoft Outlook you can subscribe to new RSS Feeds directly to your email account.

Find the RSS Feeds folder usually below your inbox

Right Click on the folder and select "Add a New RSS Feed..."

Copy and paste the URL <https://www.gov.im/categories/tax-vat-and-your-money/customs-and-excise/news/RssCategorisedNews> and click on "Add".
