Explanatory Note

to the Statement of Changes In Immigration Rules SD 2023/0312

(This note is not part of the Statement of Changes in Immigration Rules)

This Statement of Changes in Immigration Rules makes the following changes:

Closure of the Worker (Seasonal) Migrant route

With effect from the date of commencement the Worker (Seasonal) Migrant is closed to new applicants. Those who already hold Worker (Seasonal) Migrant visas will continue to be subject to the same conditions as currently attached to those visas.

The route was always intended to be reviewed and after two seasons of operation, together with concerns raised regarding the welfare of some migrants entering the Island under the route, the decision has been taken to close it and review it.
