### **Foreword by the Hon Alfred Cannan MHK, Chief Minister**

To: The President of Tynwald and the Honourable Council and Keys in Tynwald assembled

In November 2007 Tynwald resolved that the Council of Ministers consider the establishment of a suitable body for the preservation of War Memorials in the Isle of Man.

Subsequently in October 2008, following a report by a Working Group established by Council of Ministers to consider the matter, Tynwald gave approval to the formation of the Isle of Man Government Preservation of War Memorials Committee.

I am pleased to lay the Annual Report before Tynwald on behalf of the Chair of the Committee.

I would like to formally thank the members of the Committee for their interest and dedication shown in the preservation of Manx War Memorials and to especially acknowledge the outstanding voluntary contribution made by all the lay membership.

Hon. Alfred Cannan MHK  
Chief Minister

## **Isle of Man Government Preservation of War Memorials Committee**

### **Annual Report**

As part of the Committee's responsibilities, and in my capacity as Chair of the Committee, I am pleased to present the Annual Report to the Council of Ministers.

I was delighted to be reappointed as the Chair of the Preservation of War Memorials Committee and honoured to have Mrs Diane Kelsey MLC to join the Committee as our Vice Chair. As the Isle of Man's Armed Forces Champion, Mrs Kelsey brings a vast wealth of knowledge and experience to the work of the Committee, which will greatly assist in the Committee's objective that War Memorials on the Isle of Man are properly preserved for the future.

I would like to extend my sincere thanks, on behalf of all Members of the Committee, to Daphne Caine MHK for her time and commitment during her tenure as Chair. Her dedication to the preservation of War Memorials is well documented, and it was a pleasure working with her as Chair of the Committee.

Additionally I would like to place on record my gratitude for the continuing co-operation of Manx National Heritage, for their ongoing support maintaining the register and making it available for public access. It is wonderful to see the continuing development of the Isle of Man Historic Environment Record, which provides the War Memorials with their own page.

I wish to echo the words of the Chief Minister and thank all Members for their dedication to the work of the Committee.

Juan Watterson SHK  
Chair of the Committee

## **1. Introduction**

At the Tynwald sitting in October 2008, approval was given to the establishment of a body for the Preservation of the Island's War Memorials to be called the Isle of Man Government Preservation of War Memorials Committee ('the Committee').

The Committee is responsible for -

- (a) ensuring a proper registration of War Memorials throughout the Isle of Man;
- (b) encouraging the proper maintenance and upkeep of such memorials; and
- (c) avoiding the destruction of, or overseeing the removal of, such memorials by encouraging the owners or custodians to advise the Committee that such is likely prior to such actions being taken so as to enable the Committee to ascertain any actions that may be appropriate for them to safeguard the memorial.

The establishment of the Committee did not remove the responsibility for War Memorials from Local Authorities.

The Committee is required to produce an Annual Report to be published and made available on the Government website.

## **2. Membership of the Committee**

The membership of the Committee is as follows:

Chair:	The Hon. Juan Watterson SHK
Vice Chair:	Mrs Diane Kelsey MLC
Lay Members:	The Venerable Irene Cowell Ms Boakesey Closs Mr Keith Dalrymple Mr Robert Dowty Mr Dean Johnson Mr Bruce Kirkham

## **3. Isle of Man War Memorials Register**

The Register, compiled by the Committee and maintained by Manx National Heritage ("MNH"), includes the following information:

- location;
- brief description;
- photographs showing the War Memorial and its location;
- (where known) the war, campaign, action or unit commemorated;
- the date of erection and/or dedication;
- transcript of inscriptions and names so that a permanent record exists in case of future damage or loss; and
- (where known) the designer/maker/craftsperson who created the War Memorial

The Committee has identified and continues to monitor the physical condition and vulnerability to damage of each War Memorial in order to assess the need for conservation works. It was agreed that Manx National Heritage ('MNH') would maintain the register with updates being provided by the Committee.

MNH has responsibility for the care and promotion of Isle of Man's natural and cultural heritage and in March 2021 went live with the new Isle of Man Historic Environment Record database and website: [isleofmanher.im](http://isleofmanher.im) ("IOMHER").

The continued collaboration between the Committee and MNH has provided the resources to develop a major research tool for members of the public, commercial operations and academics alike. The Island's War Memorials are given their own section on the IOMHER homepage that includes a single link to all memorials on the interactive map. Each memorial is marked by its own pin on the map with a link to a list of those commemorated (to which biographies can be added to) as well as links to any relevant items from Manx National Heritage collections, for example a photograph (since digitised) of the memorial when it was unveiled.

A full report, which includes the history of the memorial, current condition, satellite map, and any modern images of the War Memorial is available to view and print.

The MNH record also includes the grid reference, condition report, historic information and digital mapping of the memorials. To search for War Memorials visit [isleofmanher.im/](http://isleofmanher.im/)

There are also links for the Manx National Heritage collections website iMuseum ([imuseum.im](http://imuseum.im)) to each War Memorial on the IOMHER.

An extract taken from the register of War Memorials, which lists the locations and types of memorial, is attached at **Appendix 1**.

## 8. Significant activity during the year

### Finding the German Parish Roll of Honour

A final search for the German Parish Roll of Honour was undertaken in early 2023 at a barn in Ballaleece, to check through boxes of old records that were stored there. After seven years of searching, the Roll of Honour was eventually located at the barn.

The German Parish Roll of Honour was subsequently mounted and framed and is now held in the office of the Clerk to the Commissioners.

The Commissioners' Roll of Honour was a copy of the German Parish Cathedral Roll of Honour, which has been on display at the Cathedral for many years.

### Malew Parish War Memorial

Remedial work was planned to be carried out in the spring of 2023 to the Malew War Memorial, and the Committee have been in contact with Malew Commissioners regarding this work.

The Committee have requested a site visit and meeting with the Commissioners to discuss the proposed work to the Memorial, and whether more work is needed than initially expected due to the content of the survey report that the Committee have received.

The Chair of the Committee has written to Malew Commissioners, and the Commissioners have responded confirming they are progressing with the repairs as per the expert advice contained within a report they commissioned.

### **Kirk Christ Lezayre (Holy Trinity Church)**

The Committee are pleased to report that, after becoming damaged and falling down, the wall surrounding Kirk Christ Lezayre's War Memorial was rebuilt, as can be seen in the photograph below.

### **Ramsey War Memorial:**

In late 2022, the Committee were contacted by Ramsey Town Commissioners who were requesting assistance in engaging an appropriately experienced monumental or stonemason to undertake the following work on Ramsey War Memorial:

Repainting and regilding lettering on name plaques, repairing and repointing the crazy-paving at the base of the Memorial and providing small 'weep' points to joints at the external angles of the upstand kerb to relieve rainwater.

As of July 2023, work on the Memorial is yet to get underway, but Ramsey Town Commissioners have requested for a Lay Member of the Committee to be present when the work is undertaken.

The Committee would like to thank Ramsey Town Commissioners for their proactive approach to maintaining the War Memorial, and for their engagement with the Committee prior to undertaking the work.

## **Airport War Memorials**

Two of the three memorial plaques, dedicated to H.M.S Urley and the RAF Ground Defence Gunners School, at Ronaldsway Airport were recently rediscovered after being put into storage when the airport was recommissioned into the vaccination hub during the Covid-19 pandemic.

The Committee are currently liaising with the Airport Director, Mr Gary Cobb, on locating the third plaque and also on where the plaques will be held on display in the future.

A link to the plaques in the imuseum can be found here:

<https://www.imuseum.im/search/collections/places/mnh-site-213885.html>

## **9. Way Forward**

The Committee will continue to ensure that the remit is fulfilled and to seek the support of custodians to maintain their memorials in good order.

The Committee will continue to develop constructive collaboration with MNH, the custodians and those with relevant specialist skills. This enables timely and positive outcomes to requests from custodians who are seeking assistance with restoration projects.

The Committee will continue to work with MNH to maintain the register of War Memorials, which will meet the requirements of both bodies and for the public.

The Committee also works closely with the Church Authority.

It is the Committee's hope to visit all of the Island's memorials at least once during its five year tenure.

## **10. Photographic record**

The Committee have been undergoing the large task of updating the images stored on the databases, to ensure that images of a high resolution to ensure the photographs can be viewed to the best quality on the web.

### **New War Memorials**

There were two new War Memorials that were discovered this year:

Lonan World War II Parchment,

Natwest Bank World War II Memorial on Victoria Road, Douglas.

The Committee have confirmed that the extensive redevelopment of the Victoria Road site will not impact upon the War Memorial.
