## Section 7A Financial Requirements (continued)

## 7A.3E CASH SAVINGS — (CATEGORY E)

This section contains the **category E** way to meet the financial requirement.

**Note**  
If you cannot meet the financial requirement through income, you can use relevant cash savings to enable you to do so (although cash savings cannot be combined with income from self-employment).

Relevant cash savings are those which you and/or your partner hold which

(i) exceed £16,000. The first £16,000 of cash savings you hold cannot be used;

(ii) have been held by you and/or your partner for at least 6 months prior to the date of this application;

(iii) are held at the date of application; and

(iv) are under the control of and available to be used by you and/or your partner. Only complete this section if your cash savings meet all these criteria.

**Calculating how much of your cash savings may be counted towards meeting the financial requirement**

Only cash savings above your first £16,000 may be counted towards meeting the financial requirement. Set out below are 2 examples of the calculation that you should carry out if you are relying on cash savings:

Example 1. You have cash savings of £62,500.  $62,500 - 16,000 = 46,500$ . In this example £46,500 of your cash savings may be counted towards meeting the financial requirement.

Example 2. You have cash savings of £25,000.  $25,000 - 16,000 = 9,000$ . In this example £9,000 of your cash savings may be counted towards meeting the financial requirement.

Indicate which option you are relying on:

- the correct application fee must be paid;
- the applicant's current passport or travel document must be provided
- the mandatory sections in the application form must be completed.

### Supporting evidence

Only those documents specified in the application form and set out in detail in the Immigration Rules relevant to this application need to be provided. It is only necessary to submit evidence that is directly appropriate to the application as requested.

**The applicant must be selective in submitting evidence, as sending large amounts of irrelevant or poor quality documentation may delay the consideration of the application.**

Where a document is not in English, the original must be accompanied by a fully certified translation by a professional translator. This translation must include details of the translator's credentials and confirmation that it is an accurate translation of the original document. It must also be dated and include the original signature of the translator.

### Question-specific help text

Further advice on specific questions in the application form is detailed below.

### Section 1

Evidence of name change(s) should show the applicant's full name before and after the change and may include:

- deed poll documents or marriage certificates; and,
- both the old passport and the new passport.

Should the applicant submit documentation in support of their application that refers to them under a name(s) not given in this section, we will not consider that documentation.

### Section 6— English Language & KOLL

All applicants must demonstrate sufficient proficiency in the English language and enclose proof of this in each case. This can be demonstrated in three ways.

1. Being a **national of a country where the main language is considered to be English**. The Isle of Man Immigration Service considers the following countries to be majority English-speaking countries:

Antigua and Barbuda; Australia; The Bahamas, Barbados; Belize; The British Overseas Territories; Canada; Dominica; Grenada; Guyana; Jamaica; Malta; New Zealand; St Kitts and Nevis; St Lucia; St Vincent and the Grenadines; Trinidad and Tobago; United States of America.

Proof of the applicant's nationality must be enclosed (e.g. a valid passport).

2. If you **hold an academic qualification equivalent to at least a Bachelor's degree in the UK** which was taught in English, you will not be required to take the English language test. If the qualification was obtained from one of the majority English speaking countries listed above, then this may also be deemed to automatically satisfy the English language requirement.

Qualifications that were **taught in English, but awarded outside of the UK must be recognised by UK Ecctis** as equivalent to a UK Bachelor's degree. You must provide a letter from UK Ecctis stating that your qualification meets this standard.

3. Applicants who do not meet the above two criteria will be required to take an **Secure English Language Test** and score at least a level B1 according to the Common European Framework of Reference for Language. A test must be booked and taken at a Secure English Language Test (SELT) centre. <https://www.gov.uk/guidance/prove-your-english-language-abilities-with-a-secure-english-language-test-selt> states the acceptable SELT centres. Currently these are the IELTS SELT Consortium, LanguageCert, Pearson and PSI Services (UK)\*.

In addition to demonstrating the English language requirement, Life in the UK and Islands test must be passed by the main applicant and all dependants aged 18 and over.

4. This test is administered University College Isle of Man and Proof that this test has been passed by all applicable applicants must also be enclosed.
