A proposal for a thoroughly updated system for the taxation of company cars and fuel provided to employees by their employers will be published in the near future, based more on environmental impact and aligned with the new simplified annual vehicle duty bands provided by the Department of Transport. In order to allow businesses to prepare for this change, the new system will become operational from 6 April 2009.

7. CHARITABLE DONATIONS

Where an individual makes qualifying charitable donations during the year they may claim relief from income tax. The maximum amount of donations that an individual may claim tax relief on will be increased by £1,000 to £7,000 per year. This new maximum will apply for the tax year commencing on 6 April 2008.

8. LIFE INSURANCE RELIEF
