Dear Phil

Thanks for this, and to save time I am copying Peter as well. I am surprised too by this. I have never heard of Henry Kennaugh nor any proposals for a business park on any Drinkwater land. (Unless there is some land I have not heard of that belongs to us?!)

Regards

Richard

Hi

I am not aware of any proposals from Henry Kennaugh or anyone else for a business park on the land. If there is no such proposal should I inform Peter.

Regards

Phil

Hi Phil

I am typing this from the draft Cooil Road Order Public Inquiry at the Empress. Henry Kennaugh has just surprised the Inquiry stating that he is a business partner with involvement in Drinkwater land and he wishes to put forward a Business Park on an alternative site which would be situated on Drinkwater Estate land. This will now be a matter of public record.

Does Henry have authority from the Trustees for what he is saying?

Peter
