

Beyond the Attic

with Doug Sandle BA, CPsychol, AFBPsS

Professional Development, Opportunities and 'Best Practice' for Manx Visual Artists

An introductory look at procedures, opportunities, connections and guidelines that can help develop artists' professional practice and opportunities.

A free workshop / seminar that will help Manx artists (emerging and also more established) to develop their professional practice so as to maximize opportunities for exposure, connectivity, work and 'best practice'.

Isle of Man Arts Council

Connectivity

Which organizations, websites, magazines, journals and information portals can be of benefit in keeping up to date with new developments in art practice, new professional opportunities and which can be used to promote your work to a wider international market.

Promoting Yourself

How to present your work and approach potential sponsors, exhibitors and employers-- broadening the constituency (and market) for your creativity

Best Practice

Guidelines on what to charge for your services, artists' contracts, copyright issues, preparing for an exhibition, public liability, risk assessment, artist organizations and working together
