WALKING IN THE ISLAND: BEST PRACTICE GUIDE

Visitors:

- Visitors to the Island must ensure all outdoor clothing is clean on arrival.

All Walkers:

- Ensure all footwear is spotlessly clean
- Do not stray from rights of way onto grazing land
- Do not walk amongst livestock
- Never touch or handle livestock
- Keep dogs on a lead where there may be livestock
- Use any disinfectant footpads or other facilities provided by the landowner

Never discard food in the countryside – take it home!

Arrive Clean : Leave Clean!
