Signature Print full name		Date	

Notes

Timing Please apply at least two weeks in advance of your intended import date.

Transport Live animals should be transported in compliance with the CITES Guidelines for the Transport and Preparation for Shipment of Live Animals or in the case of air transport, the Live Animals Regulations published by the International Air Transport Association, IATA.

Transfer following import A licensee may not transfer the possession or control of animals imported under such a licence, or cause them to be so transferred, without the prior approval in writing of the Department.

Boxes 1 & 2 Provide the full name and address of the actual importer. If you are an agent, put the importer's name and c/o your address.

Box 3 State the purpose of import: licences may be granted for a circus, a zoological garden, or for such other purpose as the Department may by Order prescribe.

Box 4 Name the site for confinement of each species of animal(s), on the Isle of Man.

Box 5 Describe the security measures to be taken to prevent escape (housing, fencing, other security).

Box 8 State the number of animals of each species/breed.

Box 9 Description: note the sex and date of birth, and any identification marks, rings, or transponder details.
