NOTES:

The regulations provide that the registered owner of a small ship ensure that within one month of the date on which registration takes effect the registration number preceded by the letters "SSR" is permanently marked on the ship. The minimum size of the markings is reproduced overleaf. The form of the numbers and lettering is left to the discretion of the owner, it is suggested that they take the form of self adhesive PVC letters/numbers, self adhesive white vinyl stickers, a number plate carved into hardwood or engraved in metal (i.e. brass or stainless steel). Stickers or plates can be made up on application to COLAS (IOM) Ltd, Balthane Industrial Estate, The RYA, Woking, Surrey, or any engraver or sign manufacturer. The cost of production will have to be borne by the applicant and is additional to the registration fee.
