### EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations apply to collective investment schemes that are international schemes.

The Regulations exempt a limited partnership that is classed as an international scheme from the requirement to disclose details of the limited partners on the public file held at the Companies Registry. The exemption is subject to the condition that the partnership maintains certain information relating to the limited partners, and the terms of the scheme, at its principal place of business in the Isle of Man.
