◆ **Standing Charge Rebate**

A rebate of 11.51p per day (equivalent to £42 per year) will apply to all customer daily standing charges.

◆ **Direct Debit Discount**

A discount equivalent to £6.60 + VAT a year will be allowed to customers paying their electricity account by monthly instalments using Direct Debit. A discount equivalent to £3.60 + VAT a year will be allowed to customers paying their electricity account by quarterly Direct Debit.

◆ **Discount**

A discount of 2.5% will be allowed for payment received within the prompt settlement period shown on the electricity account. This discount will be automatically given to customers along with their Direct Debit discount if they pay their account using one of the MEA's Direct Debit schemes.

◆ **Fuel Cost Adjustment**

A Fuel Cost Adjustment of 0.50p per unit (0.25p per unit for low rate and off-peak) will apply from 1 December 2006 to recover fuel costs in excess of the average Fuel Cost benchmark.

◆ **Value Added Tax**

Value Added Tax at the appropriate rate(s) prevailing will be added to the tariff charges.

◆ **Private Generation**

Tariffs for private generation are available from MEA on request.
