[^1]
[^0]:    ${ }^{1}$ These time periods begin and conclude at one minute past midnight on the days specified. In practice this means that when the period specifies that it concludes on a Monday this means it concludes at one minute past midnight on a Monday ( 00.01 am ), effectively meaning the period allowed for the display of fireworks concludes at midnight on a Sunday night.

[^1]:    ${ }^{2}$ These time periods begin and conclude at one minute past midnight on the days specified. In practice this means that when the period specifies that it concludes on a Monday this means it concludes at one minute past midnight on a Monday ( 00.01 am ), effectively meaning the period allowed for the display of fireworks concludes at midnight on a Sunday night.
