------------------------------	------

**NOTES**

1. Provision is made on this form for notifying all the changes required by the Act to be notified, but it will frequently happen that only one item of change, such as change in the principal place of business, for instance, has to be notified. In any such case, the word "NIL" should be inserted in the other divisions.
2. If all the general partners have elected that the limited partnership is to have legal personality, the name MUST end with "Incorporated" or "Inc".
3. The statement must be signed at the end by a general partner for the firm, and delivered for registration within one month of the change or changes taking place.
