

Isle of Man Land Registry
Appendix F: Appurtenances
Act section 46, Rule 40

Appendix F

FOR REGISTRY USE ONLY
Application number

*Please itemise and set out the details of each right or interest over other land which is appurtenant to the land. State the date upon which the appurtenance was created and, if the appurtenance was created by an instrument recorded in the Deeds Registry, the deed number of that instrument. If the instrument creating the right or interest is not lodged in the Deeds Registry then that instrument must accompany this application.
The land affected by the appurtenance must be identified upon the Survey Map together with all relevant identification marks and colouring. Please refer to guidelines for further information.*
