## WARDEN'S WALK Slieau Curn

Warden's Walks are available as a series of leaflets, each with a detailed map and route description. They are also available on our website. They should be used in conjunction with the Outdoor Leisure Map 1:25,000 series.

This is a walk of 12 kilometres, about 7 miles. Approx 3 - 4 hours. It involves a steady climb out of Kirk Michael following a Greenway Road. The route then cuts across the open hill to join the boundary wall overlooking farmland. It follows this undulating boundary wall before rejoining the Greenway road for the descent to Ballaugh. Following the TT course into Ballaugh, turning left immediately after the bridge. The final leg is a level walk along the old railway line back to Kirk Michael. The going is generally good but may be wet under foot following rain.
