

Participation and Voices
 "Having a voice"

PARTICIPATION CAN BE FOR EVERYONE....
 there are many ways you can have your say about what it's like being in care

Inspections
 Join the inspections team and have your say about inspections in residential homes

Consultations
 Participate in planning and holding consultations with other young people

VOICES IN PARTICIPATION COUNCIL (VIP)
 Participate in VIP Council meetings having discussions, giving views decision-making and planning

Become a Trainer
 and train social workers, carer's, managers, Politician's and other professionals about what its like being in care and what they can do differently in their jobs to make it better for us

Interviews
 Be part of interview panels asking questions that matter to you, interview staff in Social Services and care homes

DVD
 We are making a short film about being in care on the IOM from your point of view Interested?

Website: Put your creativity to use in designing the layout and content of the Participation website

W E B

Newsletter
 Design the layout
 Write an article
 Design a game/puzzle
 Send in your idea's...
