INCOME TAX DIVISION

Government Office, Douglas
Isle of Man, British Isles
IM1 3TX

PRACTICE NOTE

PN 5/86

Date: 15th May 1988

Income Tax Office Accommodation Changes

The work which commenced on 14th March 1986 to alter the accommodation on the first floor of Government Offices to house the whole of the Income Tax Division is now nearing completion. To achieve the move of the assessing section, collection section and company section into the extended accommodation the whole of the office will be closed to the general public (including telephone calls) on Thursday 22nd, and Friday 23rd May 1986 and will re-open on Tuesday 27th May 1986.

During the temporary closure payments or tax will still be able to be made at the treasury counter as usual. Following the re-opening of the office it will no longer be possible to make payments of tax in the payments hall on the ground floor. Instead all enquiries and tax payments are to be made at the first floor counter only.

Once again every effort will be made to keep to a minimum, any inconvenience that may be caused during this second move.
