

# THE T.E BROWN PORTRAIT CHALLENGE...

TE Brown was born in Douglas and educated at King William's College and later Oxford. He later became the Isle of Man's National poet.

Did you know that in 1914 the Manx Society presented Island schools with a portrait of TE Brown to try to encourage Manx children to take up studies of our national poet?

ISLAND *of* CULTURE  
MANNIN ISLE OF MAN 2014

*(Isle of Man Examiner May 9th 1914)*

**We want to know  
where yours is!  
Is it still on your wall?  
Is it in a dusty cupboard?**

Your challenge for Island of Culture 2014 is to find it and put it back on your wall! Then send us a photograph of it with your pupils. Maybe you could find the log book entry from then? Or any other information?

To help celebrate Island of Culture the World Manx Society have kindly provided us with copies of the original portraits of TE Brown which will be presented to new school's which do not have an original portrait.

Good luck!
