

## **A typical day at the Student Services Centre :**

- Providing information and guidance to students about course fees and student grants
- A chat with an anxious prospective student and his support worker about what to expect when he starts College
- A listening ear and practical guidance for an upset student
- Discussing a food diary with a student wishing to adopt a healthier lifestyle
- Relaxation techniques to ease stress for students worrying about forthcoming exams
- Information about the College's Childcare Support Scheme for a student with children
- Chatting with a group of students about a fundraising event they are planning
