***Live breaches:** this means that the inspection report was signed off with these breaches still to be resolved on farm.

***Resolved breaches:** these are the number of breaches that were resolved during the inspection.

Key:

TGs	Incorrectly tagged / Animal without tags	OP	Other Passport discrepancies
NF	Animal not in farm records	ID	Serious dam ID error
FM	Failure to report movement	DB	Incorrect date of birth
NP	Animal without a passport	IP	Invalid passport
MV	Movement details incorrect	NA	Passport present no animal
DD	Passport for dead animal collected >7 days	LZ	Less serious dam ID error
