

ISLAND *of* CULTURE : PRESENTS
MANNIN ISLE OF MAN 2014

{ MusicLab

A brand new 13.5 metre truck designed by the London Philharmonia Orchestra which has been transformed into a fun, interactive way to understand the workings of an orchestra. Try conducting, have a go at playing the cello and composing new scores.

What does it offer?

Using cutting edge digital technology and innovative interactive design, MusicLab offers a series of hands-on musical games and interactions, designed to put the visitor in the shoes of a composer, performer and producer.

When, Where and How much does it cost:

**Saturday 18th October
from 10am-5pm at St Ninian's
Lower School, Onchan.**

This unique experience is offered completely FREE of charge. No need to book just turn up and enjoy. The full experience will take approximately 45 minutes.
