**STANDARD CONDITIONS OF CARRIAGE AND PASSENGER REGULATIONS**

**with effect from 1 July 2015.**

(Includes extracts from the Road Transport Act 2001 concerning the conduct of passengers travelling, or intending to travel, by bus).

**1. Introduction.**

The Department of Infrastructure's Public Transport Division – 'the division' – operates bus services under the brand name **bus vannin**. The division is based at Transport Headquarters, Banks Circus, Douglas IM1 5PT.

These Conditions of Carriage set out your rights and obligations as a passenger of **bus vannin**. By travelling on our services you, as a passenger, agree to these Conditions of Carriage.

**Provision of scheduled services**

**bus vannin** will use all reasonable endeavours to maintain the services as per the published timetables but we reserve the right to alter, withdraw or suspend services without notice. Accordingly, the division will not be liable for any loss or inconvenience arising from the cancellation or change of any service. However, we will work with all agencies to reduce the impact of seasonal traffic congestion, road works and severe weather conditions. Unfortunately, we cannot guarantee passengers a seat on every bus journey or that you will be able to get on a bus that is full to its capacity.

**2. Conduct of passengers**

We are here to provide the best service possible but in doing so we will not tolerate abusive or aggressive behaviour from our customers. We reserve the right to refuse travel for reasons of improper conduct or breaches of health and safety. Should an event occur that is not covered by the conditions of carriage and relevant legislation then the driver or division official will decide on an appropriate course of action.

A passenger must have a valid pass, Go card or ticket to travel. No ticket or pass must be used that has expired, been defaced, copied, stolen, illegally used or altered. The current penalty upon conviction for an offence made under these conditions is a fine not exceeding £1000.

Passenger's code of conduct:

- All bus stops are request stops. Signal the bus to stop. As the bus approaches, check the route number and destination displayed on the front of the bus. Raise your arm as a signal to the driver that you want the bus to stop.
- Having the correct fare available will help reduce delays when getting on the bus.
- Passengers should show full consideration for the safety and comfort of others. Follow any instructions given to you by our staff, and observe all relevant notices in vehicles.
- Passengers wishing to alight should ring the bell in sufficient time and remain seated in their seat until the bus has stopped. If you are unsure where your bus stops ask the driver for help when you get on the bus.
- Passengers should not leave rubbish or discarded items on the bus.
- Passengers should produce a valid ticket, card, permit or pass when required by a division official.
- Passengers should pay the fare for the journey undertaken. No passenger shall leave the vehicle without having paid their fare.
- Passengers should have due regard at all times for the needs of our elderly, pregnant, young and disabled customers and, in particular, vacate seats and spaces designed for the elderly and disabled when requested.
- Passengers should advise the driver immediately if they sustain an injury travelling on one of our buses.

Passengers shall not:

- Use obscene or offensive language or conduct themselves in a disorderly or threatening manner.
- Be intoxicated with alcohol, drugs or solvents and behave inappropriately towards customers and/or staff.
- Travel on the upper deck of a bus unless they occupy a seat.
- Block any emergency exits or obstruct aisles or stairways.
- Distract the driver or obstruct his/her vision when the bus is in motion, except in an emergency or for another good reason.
- Wilfully damage, defile or soil any part of the bus.
- Throw or dangle anything out of any window.
- Use or operate any noisy instrument or musical device to make excessive noise which may cause annoyance to other passengers.
- Carry combustible items, corrosive substances and hazardous materials, including petrol containers.
- Hand out any printed material on the bus unless prior permission has been granted from the Director of Public Transport.
- Smoke either conventional or electronic cigarettes. A maximum fine of £5000 for smoking on a bus can be applied under the relevant regulations.
- Take part in any activity that is unlawful and/ or carry illegal items on the bus.
- Carry any type of gun or firearm.
- Consume food and drink including alcohol, which could make other passengers' journeys unpleasant or otherwise cause offence.
- Wear unsuitable footwear such as rollerblades, skates or excessively high heels.

- Allow small children to be unsupervised at any point when boarding or alighting. Small children should sit in a window seat.
- Place any footwear on the seats.

Any person contravening these regulations and any other statutory regulations may be removed from the vehicle by the driver or division official. We may cancel a ticket, card or pass without refund and involve other agencies to improve the comfort, safety and wellbeing of our staff and customers.

### 3. General fares and ticketing

- *bus vannin's* cash fares, concessionary fares, season tickets, Go cards and special discounts are approved by the Isle of Man Government.

The voucher should be exchanged within one week of issue.
- If a passenger is unable to pay for their intended journey, the driver will at his/her discretion allow the passenger to travel and obtain details such as a name and address. #### 4. Carriage of wheelchairs and folding pushchairs

- We welcome passengers in standard sized wheelchairs, provided these can be safely used and secured on the bus being boarded.
- We are unable to carry mobility scooters because of their inconsistent manoeuvrability, irregular sizes, appropriate restraints and the problem of severe boarding and alighting gradients on a number of our routes.
- We welcome passengers with pushchairs on our buses. However, the allocated pen space on the bus is primarily for users of wheelchairs. One occupied wheelchair may be carried on each bus with one occupied pushchair.
- If the wheelchair pen area is not occupied then two pushchairs can be carried. Carriage of these items is subject at all times to enough space being available and at the discretion of the driver.
- All pushchairs must be securely positioned so that they are stable and do not cause an obstruction or hazard to other customers.
- Passengers are asked to give up the dedicated space for wheelchairs if required. Wheelchair passengers do not have the option of folding up their wheelchair. Therefore, passengers should co-operate in allowing proper use of the pen space by vacating it if necessary in favour of a wheelchair.
- In some cases, our ability to carry a wheelchair may be affected by not being able to lower the ramp in areas without a suitable pedestrian pavement.
- It is the driver's judgment to decide if there is sufficient space available on the bus and his/her decision is final.

## **5. Travelling with luggage**

- All items of luggage will be carried free of charge if it does not occupy a seat. We will only permit customers to carry luggage on our vehicles where it is safe to do so and at the driver's discretion.
- We do not carry unaccompanied luggage or parcels.
- There may be occasions where items of luggage are refused carriage on our services. If the luggage is excessive, large (over 20Kg) or of an awkward size and it means it cannot be carried upon our vehicle in a safe manner, the driver has the right to refuse such luggage.
- Newly purchased paint may be carried in a sealed container, preferably with can clips, within appropriate bags and placed on the floor of the bus when in transit.
- Fixed frame bicycles are not permitted on our buses. Folding bicycles will be carried, providing they are safely and securely stowed in the designated luggage area in a carrier designed for the purpose and there is sufficient luggage space available. (Children's micro scooters can be carried if they are safely secured).
- Luggage is carried at the owner's risk. We cannot be held liable for any loss, damage or inconvenience if you are unable to travel with us because of any restriction.

## **6. Travelling dogs and other pets**

- We welcome guide dogs and assistance dogs on our buses free of charge. A maximum of two leashed dogs are normally allowed on the lower deck of a bus at any time. Dog fares for non-assistance dogs will be as per the fare table, currently 30p per journey.
- Other small animals are welcome at the discretion of our drivers and, if they are permitted on board, they must be in a basket or pet carrier, well behaved and present no danger or nuisance to other passengers. Animals are not permitted to travel on seats although they can sit on a passenger's lap.
- We reserve the right to ask you to leave the vehicle with your animal at any time if the driver feels that the animal in question is a danger or nuisance to the passengers.

## **7. Lost property**

- Any property found on a bus must be handed to the driver. To reclaim lost property telephone +44 1624 662525 to state which service the item was left on and provide a full description of the lost property. Alternatively you can email the details to [publictransport@gov.im](mailto:publictransport@gov.im). Further information can be found in the relevant information section on our website.

## **8. Miscellaneous**

- The division reserves the right to operate CCTV cameras on our buses to monitor the conduct of passengers. By using our services you consent to any CCTV images of your journey being provided to any enforcement agency at the request of the agency.

- To avoid any unnecessary distress, we support the need for mothers to breast feed on our buses.
- Personal portable oxygen units can be carried on board our buses. All manufacturers' instructions must be followed; the unit must be carried in an approved case or backpack and the unit must be inspected for any leaks before you travel. Passengers with such items should travel on the lower deck of the bus.
- Force Majeure: the division will be relieved of any liability to you for any loss or damage if such loss or damage is due to: (a) you doing something or not doing something you should have done when on our buses, (b) a strike, lock-out, stoppage or industrial dispute, the consequence of which meant we were not able to provide the services expected; or (c) any other event which we were unable to avoid or prevent by the exercise of reasonable diligence.
- All commendations, enquiries, suggestions or complaints should be addressed to Customer Services, Public Transport, Transport Headquarters, Banks Circus Douglas IM1 5PT or via email to [publictransport@gov.im](mailto:publictransport@gov.im).
