Welcome to the Department of Education and Children's Sports Development Unit and Youth Service Summer Programme of holiday activities taking place from 27<sup>th</sup> July - 9<sup>th</sup> September 2015.

Summer 2015 sees the most action packed programme of activities that the Sports Development Team and Youth Service have ever delivered - all presented in one simple application form.

Why not explore the plantation at South Barrule on your mountain bikes, play football at the National Bowl Stadium or develop your swimming technique with our ever popular Aqua Skills Swimming Session?

Opportunities in Summer 2015 are not limited to sports and physical activity, for the first time ever the Youth Service have teamed up with MSR to provide a wide selection of activities from Sound Check sessions, abseiling & archery with their Holiday Venture Schemes and opportunities to brush up on your improvisation and writing skills with the Youth Arts workshops.

As usual all participants on MSR activities will receive a sticker for their sticker cards which can be used towards receiving a £12 discount on future bookings.

On Tuesday 28<sup>th</sup> July, children with or without a disability/learning difficulty can take part in a variety of Paralympic Sports available at the NSC Indoor/Outdoor facilities. The Paralympic Day will be split into two separate events:

Sailing is a sport that is available for any age and disability, including children in wheelchairs and those with visual and hearing impairments. In case of poor weather, the reserve date is **Wednesday 19<sup>th</sup> August**. Please ensure that you are available for both dates.

Please bring warm clothing, hats and gloves may be required due to lower temperatures at sea.

Being on the sea brings everything from exhilaration to tranquillity. Through “Sailing for the Disabled”, whatever your disability, a whole new life opens up for you!

### **COME & PLAY DAYS – YOU DECIDE**

Due to the additional inset day for Secondary schools, MSR are providing the opportunity for all Island children from Y7 – Y10 to spend the day playing at 1 of the regional Astro pitches and NSC indoors. An MSR coach will be on hand to provide equipment but free play is the order of the day. If you're in Y7 – Y10 why not bring a few of your mates along to one of the regional Astro pitches and play your own games? Have a game of footy or cricket or make up your own games!
