1. The Application Form and associated actions

- 1.1 The revised procedure for dissolving a solvent company is effective from 1st April 2004. **The procedure applies to private companies only.** Public companies must be put into liquidation in order to be dissolved.
- 1.2 An application can be made by a director, secretary or member of a company and must be accompanied by a Statutory Declaration made by an officer or member of the company, who need not be the same person as the applicant, that the company has ceased to operate, that it has discharged all its debts and that there are no documents outstanding that should have been filed under the Companies Acts.
- 1.3 Before making an application, the applicant must have sent a notice to each director, secretary and member of the company stating that the applicant proposes to apply to the Department of Economic Development for a Declaration of Dissolution and that, unless written objection is made to the Department within one month of the date the notice was posted, the Department may dissolve the company.
- 1.4 To avoid any delay in dissolving the company, applicants are advised to contact the Income Tax and Customs & Excise Divisions of the Isle of Man Treasury before making an application and ensure that any outstanding matters concerning those Divisions are resolved.
- 1.5 The application to dissolve the company must be made on the prescribed form "RS", which is downloadable from the Department's website www.gov.im/categories/business-and-industries/companies-registry and consists of a two-page Application Form and a one-page Statutory Declaration.
- 1.6 Page 2 of the Application Form asks for details of any changes in the members since the last Annual Return was filed, or since incorporation if no Annual Return is due. Applicants are advised that the application will be rejected if any document requiring to be filed under the Companies Acts is outstanding, e.g. an Annual Return or a Memorandum of Satisfaction.
- 1.7 The applicant should ensure any name registered under the Registration of Business Names Acts has been ceased.
- 1.8 There is a prescribed fee of **£95**, which must be paid at the time the application is submitted to the Companies Registry.

2. Duties of the Companies Registry on receipt of an application

- 2.1 When the application has been accepted, the Companies Registry will publish in one local newspaper, on its website and in an index available for inspection at its public counter, a notice to the effect that an application has been received. One month's notice will be given for any person to lodge an objection to the dissolution.
- 2.2 When the notice has been published in all three places, the Companies Registry will send a letter to the Assessor of Income Tax, the Collector of Customs and Excise and the Attorney General. They will be similarly advised of the receipt of the application, and that they have one month in which to give written notice that they have no objection to the dissolution.
- 2.3 **Applicants are advised that, should any objection be received, no Declaration of Dissolution will be made until either the objection is withdrawn, or the Department decides that the objection is completely without justification.**

- 2.4 If no objection has been received by the end of the period for objections, and if the Assessor of Income Tax, the Collector of Customs & Excise and the Attorney General have confirmed that they have no objection to the dissolution, the Companies Registry will send a letter to the company, at its registered office, stating that the company is entitled to distribute its surplus assets, and that it may do so.

3 Dissolving the Company

- 3.1 When the company receives the letter described in paragraph 2.4 above, it must take appropriate action (i.e. seek to distribute any surplus assets) and reply to the Companies Registry that it has either (a) distributed its surplus assets or (b) that it cannot do so and state why.

3.2 If no reply is received, the company will not be dissolved.

- 3.3 When the reply is received the Companies Registry will publish in one local newspaper, on its website and in an index available for inspection at its public counter, a notice to the effect that the company is dissolved, and, on publication of that notice, the company is dissolved.

- 3.4 Please be advised that we are no longer providing our courtesy letters confirming the dates of dissolution for Companies that have been dissolved under the 1931-2004 Act. Confirmation of dissolution can be sought by undertaking a Company search on our website.

Documents may be submitted at any time during office hours (9.00am to 4.30pm Monday to Thursday and 9.15am to 4.00pm on Friday) 'over the counter' in the Companies Registry.

Submission may also be effected by post or after office hours by way of the letterbox located in the main door of the registries building on Deemsters Walk, Bucks Road, Douglas Presenters requiring acknowledgement of receipt of a document should provide a stamped self-addressed envelope.

The Companies Registry will remain closed on the first Wednesday of each month until 11.00 hrs for staff training. Documents can still be left in the letterbox.

For the purpose of determining the date of submission of a document, documents submitted after 4.30 p.m. on any working day (Day 1) but before 9.00 a.m. on the following working day (Day 2), will be treated as having been submitted on Day 1. For the avoidance of doubt, documents submitted before 9.00 a.m. on the day immediately following a weekend or Bank Holiday will be treated as having been submitted on the last working day prior to the weekend or Bank Holiday.

It is the responsibility of presenters to ensure that documents arrive in the Companies Registry within the filing periods prescribed.

We are aware that post can on occasion be delayed. However presenters should be aware of that and post documents in plenty of time. The Companies Registry cannot operate a system which allows for such delays as to do so would simply amount to an extension to the filing periods set down by law.

Please note: The Department does not currently accept statutory documents by fax or E-Mail.
