contact: iomfire@gov.im – 01624 647300

Purpose: Collection and processing of all data submitted by a company or individual for the purposes of fire prevention under the Fire Precautions Act 1975, and Acts to which we have an obligation - the Fireworks Act 2004 for example.

**Processing of the personal data**

The Fire and Rescue Service will use the information provided by you for fire prevention, personnel management and for employment purposes in respect of our employees. The information you give us will be kept confidential and your personal information will not be disclosed to third parties without your prior consent except where necessary to confirm factual information provided by you; to protect public funds, including the prevention and detection of fraud and/or otherwise required by law.

The information you provide, and obtained from other relevant sources, such as other Government Departments, will be treated confidentially and used by The Fire and Rescue Service to carry out their duties.

We will, where necessary, check information you supply to us in your application forms, on site visits and during telephone calls.

We may also obtain information from other Government Departments. This information can take the form of names and addresses to enable us to write to the owner/occupier of a particular property.

We may also record information about the way you have used our site to improve the way it operates.
