

**HARBOURS ACT 2010 - SECTION 26 RESTRICTION OF WORKS  
AND  
WATER POLLUTION ACT 1993 - PART 2 DEPOSITS IN THE SEA**

**APPLICATION FOR AUTHORISATION**

**Notes:**

1. Applications for cable/pipeline installations should be made under the Submarine Cables (Application for Authorisation) Regulations 2004 application form. Applications for all other works should be made using this form under the Harbours Act 2010 and Water Pollution Act 1993.
2. One copy of this form should be submitted to the Director of Harbours, Sea Terminal Building, Douglas, Isle of Man IM1 2RF at least three months before the authorisation is required.
2. All the information requested must be provided. If any information is not available at the time of application please indicate at the appropriate section, giving reasons in a covering letter if necessary. Any delay in forwarding details may result in the decision being delayed.
3. Authorisation cannot be backdated.
4. Consideration by the Department of the information supplied on this form does not imply that any authorisation will be given.
5. It is the responsibility of the applicant to obtain any consents or authorisations which may be required under any other legislation.
6. This form is designed to be completed as a Microsoft Word Form as it contains a number of drop-down menus (identified by the wording "choose an item"). If the form is completed in hard copy these menus may not be readily apparent.

**1. DETAILS OF APPLICANT**

Name and address of Company	Company details
	Company No:
	Registered office address:
	Place of Incorporation:
Contact details	Name & address of Controller/parent company:
Name:	
Address (if different from above)	
Position in Company:	
Telephone:	
Email:	
Please provide details of the applicant's accounts for the last financial year before the date of the Application.
