Please Note: -

All of the above Operators can provide a pre-booked '**Private Hire**' service.

* Where a District is specified (e.g. East District applies to Douglas and the East of the Island), the Operator has authorisation to '**Ply for Hire**' in that area. This means that the vehicle can also be hailed at a rank, or in the street.

The carriage of a wheelchair is likely to be charged as an 'extra' on the taxi-meter, i.e. 50p per journey.
