This form is designed to be filled in electronically. You must answer all the required questions. The completed form should be submitted via email to registration.customs@gov.im.

Taxable supplies

For the purposes of VAT, all goods and services you supply which are VAT rated, (including those at zero or a reduced rate) are called **taxable supplies** whether you are registered for VAT or not. The receipt of certain services from outside the IOM/UK are also treated as taxable supplies for the purpose of calculating your taxable turnover – VAT Notices 741 and 741A "Place of supply of services" refers.

Please complete the table below. Your taxable turnover needs to be presented in a **monthly** format. NB: This table only refers to supplies which have already taken place (historical information). If no supplies (including reverse charge) have taken place, there is no requirement to complete this form.
