Monthly Memberships will only become active from the 1st day of each month. Please allow 10 working to process your request.

NSC Membership Notes:

Please read before choosing which membership you would like to take out

1. The NSC is planning a pool refurbishment sometime during 2018 which will result in a pool closure for a period of time.
2. If you are purchasing a Swim Membership, during the period of closure your membership will be frozen and reinstated as soon as the pool reopens.
3. Until the planned pool refurbishment work has been completed the NSC will not be issuing 'Full Membership' packages (i.e. Gym, Swim & Spa) however if you are to take out a more expensive Gym/Spa membership up until the pool closure you will also be permitted to use the pool free of charge as a gesture of goodwill (subject to availability). This will only be the case up until the pool closure. Following the pool closure there will be new all-inclusive membership packages launched.
4. If you opt for monthly payment method you may change to a different membership package at any time. Memberships can only be changed as of the 1st of the month and customers must allow at least 10 working days to process their change request.
5. If you opt for the Annual (one-off) payment method you will not be permitted to upgrade or change your membership package until your membership expires.
6. If you are to take out a Swim or Gym/Spa membership you will also be able to use the NSC Athletics Track free of charge.
7. Students aged 16+ are permitted to take out a Gym/Spa Membership at the concessionary price.
8. Students in full time education aged 8+ are eligible for the Swim Membership at the concessionary price.

Full Terms & Conditions of NSC memberships can be found on the website: www.gov.im/sport

Alternatively please ask at reception for a hard copy.
