# Frequently Asked Questions

## Do you offer discounts?

Yes, we offer 30% discount on memberships to customers over the age of 65 and students in full time education. If you currently receive a Disability Living Allowance please speak to one of our receptionists about the discount and services available.

## Why is there no longer a Gym, Spa & Swim option?

The NSC is planning a pool refurbishment during 2018 which will result in a pool closure for a period of time. When the pool re-opens there will be all inclusive packages available, in the interim Gym & Spa members are permitted to also use the Pool (subject to availability).

## Can I change my membership package?

Yes, just fill out a Switch Form at Reception and we'll transfer you onto your chosen package. Please note that Terms and Conditions apply.

## Are there age limits to the Memberships?

Customers aged 16+ are permitted to take out a Gym & Spa membership. Children aged 8+ are eligible for the Swimming Pool membership.
