## **Proposed additional qualifying session for the TT Races**

The Department of Economic Development considers that there may be significant benefit in scheduling an additional qualifying session on the Thursday or Friday of TT practice week to provide competitors more opportunity to practice, qualify and prepare their machines prior to the scheduled commencement of racing the following Saturday.

The Department invites views on the proposal which would result in additional road closures during the morning or afternoon of the Thursday or Friday of TT practice week. It should be noted that roads would close earlier and open later on the mountain section between Barrule Park and Creg Ny Baa due to the one way system.

Further information about the consultation is available at [www.gov.im/consultations](http://www.gov.im/consultations). Copies of the consultation paper may also be obtained by contacting the Department.

Thursday Qualifying Consultation  
Department of Economic Development  
St George's Court  
Upper Church Street  
Douglas  
Isle of Man  
IM1 1EX  
Or by email to: [roadraces@gov.im](mailto:roadraces@gov.im)

Responses may be submitted to the Department via post or email as above. The closing date for receipt of comments is Thursday 27th February 2014.
