Consultation Response Form

Closing Date: 11th April 2014

Response Form

The purpose of this form is to help consultees marshal their thoughts and to facilitate collation and analysis of the many responses that are expected.

To answer each question, consultees can choose to tick boxes and/or to provide suggestions and observations in more detail. In particular, if you disagree with any proposal, please add comments and provide practical alternatives. It is not essential to form a view against every question - respond only where you wish.

The list of questions is not exhaustive, and there is no intention to discourage consultees from expressing views "outside the box".

We would prefer replies via the online survey form available at <https://www.snapsurveys.com/wh/s.asp?k=139099814565>; however, if you are unable to use this we will accept email and hard copy responses. By 11th April 2014, please return hard copies of the completed questionnaire along with any material that you feel would add to your response.
